The swim:

The swim will be in the 30m outdoor pool and we will start with seniors at 08:00, swim start times will be based on the estimated swim time put on the entry form.

There are steps at the start and finish end of the pool and so there will be a board to touch as at the turning point. Swimmers are required to touch the board and then turn **NO TUMBLE TURNS ALLOWED THIS END.**

The time keeper for each lane will hold a kickboard down in the water when there are 2 lengths to go.

There will be 2 swimmers in each lane at the same time swimming next to each other as shown below so make sure you stay on your side of the lane.

As the swimmers in lane 6 will walk longer than the swimmer in lane 1 there will be seconds added to the swim time as follows

Lane 1:	5 sec	Lane 2:	4 sec
Lane 3:	3 sec	Lane 4:	2 sec
Lane 5:	1 sec	Lane 6:	0 sec

In and around the pool area is a “non competitive zone” so no running on pool side, if seen you will be given a 1 min holding penalty... safety first!

Transition:

Will be on the grass area next to the pool, it is your responsibility to keep your transition area tidy. Each age group will have their own area which also will be colour coordinated. Transition In and Out will be well marked with signs. No spectators will be allowed in transition.
